## Club Rules

Children are expected to show commitment and to attend regularly. This is vital for those hoping to be selected for sports teams, and good character training for everyone.

1. Staff may occasionally be unable to take a club due to other commitments. In this case, prior warning will be given to the children. In the event of illness or emergency, a text message will be sent and a note put on the notice board.
2. Appropriate school P.E kit must be worn for sports clubs.
3. Any child unable to behave properly during clubs will not be allowed to come the following week. When teachers, and children, are giving up their time voluntarily, to participate in out of school activities we expect behaviour to be of the highest standard.
4. Teachers are only expected to supervise those children participating in a club. We regret, therefore, that younger brothers and sisters cannot be accommodated and non-members may not stay to watch. Any child not participating in a club must come to, or leave school, at the usual time.
