19th April 2017

Dear Parents

Essex Food & Farming Day - Wednesday 7th June 2017 Years 5 & 6

We have been fortunate this year to be offered a place at the Essex Food & Farming day to be held at Writtle Agriculture College. This fun and interactive day will give the children an opportunity to discover the source of their food and its journey from field to fork. The children will be allocated their own Farmer Steward who will lead them around the different zones, each of which encompasses a key element of the food and farming story.

The children must wear suitable clothing, i.e. jeans and wellies are advised, however the children must wear their school jumper/cardigan for identification purposes as there will be other schools on site. A packed lunch will be required for the day (no fizzy drinks). The coach will be leaving at 10 am and will be back at school for normal pick up time. If you have a CRB and would like to accompany us on the day please contact the school office.

In order for the trip to go ahead we require a voluntary contribution of £8.50. Please can we ask that this is paid via the online payment system. If you require help in making this payment please make an appointment with Mrs Putt or speak to the school office who will be able to discuss possible options for you. Please note that if we do not receive sufficient funds to cover the cost of this trip there may be the possibility that it will need to be cancelled.

Payment is required by 31st May 2017 at the very latest.

If you have any further questions please do not hesitate to contact me.

Yours sincerely

Mrs Glock
Class 5 teacher

Growing together in faith, love and trust, we will succeed.
