

Bentley St Paul's C of E Primary School

PE and Sports Premium 2017/18

At Bentley St Paul's we are committed to promoting a love of sport and healthy living. We encourage all children to take part regardless of age and ability and, through high quality coaching, ensure that all children are able to develop and improve their skills in many different sports. We encourage the children to try different sports and through the careful introduction of competitiveness develop their understanding of sportsmanship.

We enable all our pupils to be engaged in physical activity for a minimum of two hours per week, we do this through PE lessons and introduced the Daily Mile to all year groups to promote physical activity on a daily basis a year ago. The children are encouraged to be active at lunchtimes and playtimes supported by the purchase of equipment and to join the large number of afterschool and lunchtime clubs.

From September 2013, the government began providing additional funding, totaling the amount of £150 million (per annum) for Physical Education (PE) and Sport. This is called The PE and Sports Premium. The PE and Sport Premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

This funding, provided jointly by the Departments for Education, Health and Culture, Media and Sport, is allocated to primary school headteachers. It is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Funding for schools is calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January.

As a school we have effectively used this funding to develop and enhance our Sports provision.

Sports Premium at Bentley has been effectively used in the following ways:

- The sports coach provision includes working with Children and Staff in EYFS and Key Stage 1. (continuous Professional Development)
- To maintain the accessibility, we have to swimming lessons by updating the training our own staff for the teaching swimming to the children.
- To ensure our children are able to attend Inter-school sporting events within the local and wider area.
- Providing additional coach led Sports clubs in a variety of sports for children in both Key Stage 1 and 2.

- To purchase new and improved equipment for PE and Sports for lessons and to improve active play across the school.
- To assist funding of the minibus to transport children to and from sporting events.
- To develop Play leaders within the school to ensure good playtimes and lunchtimes are achieved

Funding for 2017/18

The government have announced that they will be doubling the Sports Premium in the year 2017/18. As a school we have benefitted greatly from the Sports premium. The doubling of the funding enables us to continue to build on what we have already started but to also develop things further. Below demonstrates the planned spending for 2017/18.

Number of Pupils on Roll and Sports Premium Grant (SPG) to be received 2017/18	
Total Number of Pupils on roll	209
Total amount of SPG received	£14,080

Aspect	Nature of Support	Approximate costings
Continuing Professional Development	Physical Education Support for Teachers: EYFS and Key Stage 1 teachers receive training from the school sports coach for one of their sessions each week. Teachers are encouraged to team teach and participate in the lesson to support their confidence in teaching.	£1000
	Continued investment into Sports coaches - license fees and lifeguard training for swimming	£500

Participation in competitive sport	To ensure that our children across the school are able to participate in competitive sports with other schools for the local area and beyond we ensure our coach is available to take organize the teams, kit and resources as well as being able to take them to the events, this includes specific admin time. This ensures that as many children as possible have the opportunity to participate.	£1000
Out of hours clubs	<p>Infant Sports Club Year 1 boys and girls football Year 2 boys and girls football Year 2 – 3 boys and girls rugby Years 1 and 2 dodgeball Years 1 and 2 cricket All these clubs are well attended, children learn the skills required to play the sports and are encouraged to apply these skills in games at the end of sessions. Where available tournaments are attended to introduce the children to a level of competition.</p> <p>Juniors Sports Clubs Years 3-6 Cross Country Years 4-6 Rugby Years 4-6 Netball Years 3-6 boys football Years 3-6 girls football Years 4-6 Dance Year 6 Hockey Years 3-6 Dodgeball Years 5-6 Tennis Years 3-6 Athletics Years 3-6 Rounders Years 3-6 cricket Again these clubs are all well attended and offer children a diverse range of sports to explore and develop skills in. Competitive tournaments take place where available and children are encouraged to participate in these.</p>	£5000
Karate	Key Stage 2 Karate lessons – 6 week programme for each year group within key stage 2 during PE sessions	£700
Celebration of achievements	Purchase appropriate trophies and medals to celebrate achievement across the academic year	£500
Active Play	<p>Increase participation in physical activity outside of curriculum time through the purchase equipment for playtimes and lunchtimes.</p> <p>We will consider larger items like a Table tennis table</p> <p>To provide training for MDAs on supporting the children in being more active at lunchtimes.</p>	£1000

PE equipment	To ensure appropriate equipment is available for PE lessons (including swimming) and after school clubs. Replenish broken and old equipment.	£1500
Minibus funding	Supporting payments for diesel and general upkeep as minibus is used weekly to transport children to sporting events. We have been able to increase our participation of inter-school events through the use of the school minibus.	£1500
Play Leaders	To purchase tabards, badges and equipment to ensure children are able to train and become Play Leaders	£500
Long jump pit	To complete the long jump pit and purchase a cover for the pit.	£300
Adventure Play	We have two adventure play areas which are both coming towards the end of their life span. One is repairable the other (the original) is beyond repair. The children use the adventure play equipment throughout the year and they really support the children's physical development and fitness. Replacement: £10,000 (invoiced in 3 parts over 3 years) Repair: £280	£4,000
Total		17,500

Evaluation of SPG funding use in 2016/17

In the academic Year 2016/17 we received: £9,898

Number of Pupils on Roll and Sports Premium Grant (SPG) received 2016/17	
Total Number of Pupils on roll	211
Total amount of SPG received	£8,889

The Impact of Sports Premium 2016/7

Aspect	Nature of Support	Impact
Continuing Professional Development	<p>Physical Education Support for Teachers: EYFS and Key Stage 1 teachers receive training from the school sports coach for one of their sessions each week. Teachers are encouraged to team teach and participate in the lesson to support their confidence in teaching.</p> <p>Our two sports coaches were trained as swimming teachers enabling them to deliver the swimming curriculum to the children at the school. Their license fees and lifeguard training are also paid for out of the funding.</p>	<p>Teachers across KS1 feel more confident in the teaching of PE</p> <p>Children are able to be taught in small groups and individual needs can be met as the teachers know the children well.</p> <p>##% of children were able to swim 25m by the end of year 4</p>
Participation in competitive sport	<p>To ensure that our children across the school are able to participate in competitive sports with other schools for the local area and beyond we ensure our coach is available to take organize the teams, kit and resources as well as being able to take them to the events. This ensures that as many children as possible have the opportunity to participate.</p> <p>Our school minibus is used to transport children to and from sporting events. This enables all children to attend and make sure that there is not a cost implication which may restrict access for some children – we part fund the minibus through sports premium.</p>	<p>We continue to participate in competitive sports with other schools. We have increased the number of children participating by the introduction of additional matches, outside of league matches.</p>
Out of hours clubs	<p>Infant Sports Club</p> <p>All these clubs are well attended, children learn the skills required to play the sports and are encouraged to apply these skills in games at the end of sessions.</p> <p>Where available tournaments are attended to introduce the children to a level of competition.</p> <p>Juniors Sports Clubs</p> <p>Again these clubs are all well attended and offer children a diverse range of sports to explore and develop skills in. Competitive tournaments take place where available and children are encouraged to participate in these.</p>	<p>The school clubs are very well attended and our school teams tend to be drawn from children who attend the clubs</p> <p>Children’s skills in different team games are developed through the teaching of different skills</p>
Active Play	<p>Increase participation in physical activity outside of curriculum time through the purchase equipment for playtimes and lunchtimes.</p>	<p>Children were provided with more play equipment.</p>

	To provide training for MDAs on supporting the children in being more active at lunchtimes.	Adventure play areas need to be focus next year as they are both damaged
PE equipment	To ensure appropriate equipment is available for PE lessons (including swimming) and after school clubs. Replenish broken and old equipment.	Although equipment has been replenished they need for investment now as some areas of sport and PE are lacking in resources
Minibus funding	Supporting payments for diesel and general up-keep as minibus is used weekly to transport children to sporting events. We have been able to increase our participation of inter-school events through the use of the school minibus.	This has been an invaluable resource to ensure that we have been able to attend fixtures and that all children have access.
Play Leaders	To purchase training file, tabards, badges and equipment to ensure children are able to train and become Play Leaders	Purchased – the children have responded well to the new scheme

The continued funding for the development of Sports has been extremely beneficial to physical activity at Bentley. Through this funding we have been able to maintain and develop our input into PE both within curriculum time and through after-school clubs.

The children have directly benefitted from all that we have done; quality CPD from our PE coaches continues to develop teaching staff confidence and ensures that the PE curriculum is fully covered and children's skills are developed.

Having two trained Swimming Teachers on the staff has benefitted us greatly. The children receive swimming lessons in small groups from staff who know them well. The success rate of our pupils has increased and across upper key stage 2 we have only a handful of children who are yet to confidently swim 25 metres. These children receive annual top up tuition to support this.

Again this year our sports teams were able to attend a large number of local and regional events. Children from year 1 upwards have attended different sporting events held at local sports grounds and secondary schools and achievements were high. These have included rugby tournaments, football tournaments, district sports, netball, hockey, basketball and dodgeball.

Intra-house sports events have increased within the school to include the KS1 pupils. The intra-house events give the children opportunities to develop their skills and sportsmanship and helps build team spirit in the school.

The Play Leader training has enabled a group of our year 5 and 6 children to develop their skills and support other children across the school.

Overall the Sports funding at Bentley has enabled us to engage more children in different forms of physical activity and made it possible for children to attend different sporting events. The health and wellbeing of our pupils has improved as a result.

We have been award the silver Games Mark for the past few years but this year managed to gain the Gold Award this was mainly due to the introduction of Play leaders from the year 5/6 children.
