

Bentley St Paul's Newsletter

"Growing together in faith, love and trust, we will succeed"

29th June 2018

Dear Parents,

The weather has been fantastic all week again. A big thankyou to all the parents that came and supported the children on Fun Run day. We are starting to make this a bigger event and next year we hope to add something a little extra again. We would also like to thank Miss Buckingham and Mr Pickett for organising this event. Our next event is sports day. This is being held on 17th July at 1.30pm and we look forward to seeing you all once again on the field to support the children. Please feel free to bring along your own garden chairs etc and if it is hot you may like to bring sun shade. Refreshments will be on sale again and a large selection of ice creams and cold drinks will be available.

Balloons in the car.

The winner of the balloons in the mini is Mrs Constantinou with her guess of 125. A total of 127 balloons had been placed in the car. Congratulations and a bottle of Champagne will be ready to collect from Monday.

Alice in Wonderland

Tickets will be going home on Monday with the KS2 children. Please make sure that you ask your child for the tickets. There are NO duplicates. Each family will have 1 ticket for every performance. Once again if you would like to swap these with other parents please do. Performance dates are Tuesday 10th at 1.30pm and 7.00pm and Wednesday 11th at 7.00pm.

Photographs of the children will be available to view at every performance and these can be ordered at a cost of £2.00 per photo. We will also be holding a raffle.

Summer Eucharist

Our Summer Eucharist is being held on Monday 2nd July at 9.30 am at St Paul's Church Bentley. Key Stage 1 and Reception will lead the service. If you would like to walk with the children to church please meet at the front of the school at 9am. We would welcome all family and friends to the service.

District Sports

On Tuesday we took a team of 42 children to district sports. It was a baking hot day so plenty of shade and drink was needed. We started the day on 29 points from the field events which put us in 4th place. The children were amazing with many getting into finals and finishing in the top 3. Unfortunately the gap from the field events was just too much and we finished in 4th place. A big thank you to Mrs Lovell for the ice lollies they did a fantastic job with cooling the children down..

Events for week beginning 2nd July 2018

	Monday 2 nd	Tues 3 rd	Wed 4 th	Thur 5 th	Fri 6 th
